**1- Palestinian Authority leader Jibril Rajoub is a terror promoter who glorifies murderers**

Fatah Central Committee member Jibril Rajoub is a Palestinian Authority leader who has promoted Palestinian terror for years and most actively promoted terror during the 2015-2016 terror wave, in which 40 people were murdered and over 500 were wounded.

As soon as the terror started in October 2015, Rajoub called on Palestinians to kill Israelis. In an interview broadcast on official PA TV, Mr. Rajoub, said with reference to the terror attacks and murders:

**"These are individual acts of bravery, and I am proud of them. I congratulate everyone who carried them out. I say to you, we are proud of you... Whoever confronts, fights, dies as a Martyr, is arrested or injured – his identity is known. What I mean is that the fighter, the prisoner, or the Martyr, they are assets to the entire Palestinian people."**

[Official PA TV, Oct. 17, 2015]

Rajoub repeated his calls to murder in Jan. 2016, glorifying the killings as **"individual acts of heroism,"** publicly again, on official PA TV:

**"I say that whoever carried out individual acts of heroism, we in the Fatah movement bless and encourage them. We consider them heroes and a crown on the head of every Palestinian... beginning with our brother Muhannad Halabi (who murdered 2 in Jerusalem – Ed.)..."**

[Official PA TV, Jan. 2, 2016]

**2. In an interview broadcast on official PA TV in 2014, Rajoub expressed support for the Hamas policy of kidnapping to have hostages to exchange for Palestinian terrorists in Israeli prisons:**

**"If Hamas wants to kidnap soldiers, let them kidnap soldiers. Let them kidnap. Let them kidnap if they [the Israelis] don't want to release prisoners, but want them as prisoners forever, so [the prisoners] will come out as ghosts and skeletons. The Israelis need to understand. It's clear that kidnapping is the language they understand. On the contrary, we encourage them [Hamas]. When they kidnapped [Israeli soldier Gilad] Shalit, we congratulated them."**

[Official PA TV, Jan. 2, 2014]

Just three months after this broadcast, Hamas terrorists from Hebron started planning the kidnapping attack that culminated in the kidnapping and murder of Eyal Yifrach, 19, Gilad Shaar, 16, and US citizen Naftali Fraenkel, 16, on June 12, 2014.

PMW's comprehensive report *The Rajoub File*, prepared for the International Olympic Committee and FIFA, documents Rajoub's incitement to murder, glorification of terror, and prohibition of peacebuilding activities over many years.

3. Rajoub also glorified a terrorist who hijacked an American airline, stating on official PA TV:

"I was at Al-Quds University on Student Day. Someone asked me: 'Who is Laila Khaled?' (i.e., terrorist who hijacked TWA flight 840 on Aug. 29, 1969). So I spoke about Laila Khaled<sup>1</sup>, **the fighter, the hero, the symbol**, etc... I told them: **'There are three sacred things that should not be maligned - the fighter, the Martyr, and the prisoner.** They are sacred. We should always speak positively about them, whether they are from the PFLP, Fatah, Hamas, etc."

[Official PA TV on Jan. 2, 2014]

#### **4- American law: Terror promoters must be refused entry to US soil**

American law cites involvement in "terrorist activities" as grounds for deeming an alien "ineligible for visas or admission" to the US. This statute extends to any alien who:

- "has engaged in a terrorist activity" [8 U.S.C. § 1182 (a)(3)(B)(i)(I)] including [Bii] "the hijacking or sabotage of any conveyance including an aircraft, vessel or vehicle."
  - "has, under circumstances indicating an intention to cause death or serious bodily harm, incited terrorist activity" [8 U.S.C. § 1182 (a)(3)(B)(i)(III)]
  - "endorses or espouses terrorist activity or persuades others to endorse or espouse terrorist activity or support a terrorist organization" [8 U.S.C. § 1182 (a)(3)(B)(i)(VII)]
- [8 U.S.C. 1182 - INADMISSIBLE ALIENS, 2006 Edition, Supplement 5]

The examples above and the extensive additional evidence in PMW's *The Rajoub File* show that Rajoub's has "incited terrorist activity" and therefore is "ineligible for visas or admission" to the US.

<sup>1</sup>Laila Khaled - a PFLP terrorist who participated in the hijacking of TWA flight 840 on Aug. 29, 1969 from Rome to Athens and the hijacking of El Al flight 219 on Sept. 6, 1970 from Amsterdam to New York. The second hijacking was averted by the pilot and security personnel on board. They shot Khaled's accomplice, Patrick Argüello, who had murdered one of the flight attendants. Khaled was overpowered and the plane landed in London where Khaled was handed over and held by British police until she was exchanged on Oct. 1, 1970 with hostages held by the PFLP.

### **5- Applying US law to Rajoub will constitute a compelling deterrent against terror incitement**

Jibril Rajoub and other PA leaders who are responsible for inciting the recent terror campaign have concluded that there is no international price to pay for supporting murder of Israelis. Prohibiting Jibril Rajoub's entry to the US would demonstrate that there is no immunity for those who promote and glorify terror anywhere. ***The knowledge that international action will be taken against PA leaders in response to their terror glorification will constitute an unprecedented deterrent against future incitement to terror.***

### **6- Rejecting terror supporters may open the door to peace**

In the recent Fatah Central Committee elections, Jibril Rajoub received the largest number of votes (after the symbolic vote for imprisoned terrorist Marwan Barghouti, who is serving five life sentences for multiple murders.) This makes Rajoub a serious contender to succeed 81-year-old Mahmoud Abbas as head of the PA. The *Rajoub File* documents that Rajoub not only supports terror but also prohibits all peacebuilding activities between Palestinian and Israelis. He even condemned a successful peacebuilding event between Israeli and Palestinian youth as "a crime against humanity." [Jibril Rajoub's official Facebook page, Sept. 6, 2014] If Rajoub succeeds Abbas as head of the PA, it will be a major reinforcement to Palestinian terror, and a potentially substantial obstacle to peace. Applying US law to prohibit Rajoub from entering the United States will send a message to Palestinians that Rajoub and all terror supporters will be rejected by the US and the international community. Only by rejecting terror supporters can the door to peace be opened.

### **7- British MP Joan Ryan has started the process in the UK**

The process of prohibiting Rajoub's entry into Britain has already begun. Labour MP Joan Ryan has already written to the British Home Secretary to issue a statement denying Jibril Rajoub entry into the UK, due to his terror incitement and glorifying terrorists.

### **8- Saving lives**

Rajoub incites terrorism and glorifies the perpetrators of terror attacks. Terrorism does not distinguish between race, religion, ethnic or national background. When Rajoub incites acts of terrorism calling for the targeting of all people in Israel, he by definition includes US citizens who are both resident in Israel, such as Richard Lakin and Hallel Yaffa Ariel, and those who are just visiting, such as Ezra Schwartz and Taylor Force, a West Point graduate and officer in the US Army. It is significant to note that Fatah, in which Rajoub served then as Deputy Secretary of the Central Committee, glorified the murderer of Taylor Force official Facebook page within hours of the murder, calling him a "**heroic Martyr.**" [Official Fatah Facebook page, March 9, 2016]

As the international leader in the fight against terrorism, and in accordance with its own laws, America must prohibit the entry of Rajoub to the US. This action will set a precedent for other countries to follow suit, creating a broad potent international deterrent against terror incitement.

In the event that Jibril Rajoub does succeed in entering the US in April 2017, he should be immediately arrested on suspicion of incitement that led to the murder dozens, including 5 American citizens.

When Palestinian political leaders understand that promotion of terror will not be ignored by the international community, the lives of many Israeli's, Palestinian's and US and other citizens will be saved.

Additional evidence of Rajoub's terror incitement is documented in PMW's *The Rajoub File*, which can be accessed on Palestinian Media Watch's website [www.palwatch.org](http://www.palwatch.org)
