By Itamar Marcus and Nan Jacques Zilberdik

Palestinian Authority funding and glorification of terrorists

- The Palestinian Authority pays monthly salaries to 5,500 prisoners in Israeli prisons, including terrorists
- The PA honors terrorists who have killed civilians, presenting them as heroes and role models
- The PA glorifies terror attacks as heroic, including suicide bombings
- The PA funds these salaries and activities from its general budget

US funding of the Palestinian Authority:

- The US funds the PA general budget
- US law prohibits funding of any person who "... engages in, or has engaged in, terrorist activity..."
- US law prohibits funding "for the purpose of recognizing or otherwise honoring individuals who commit, or have committed acts of terrorism."

PA Pays Monthly Salaries to Terrorists - Essential Facts

1. New PA law enacts payment of monthly salaries to terrorists in Israeli prisons:

A law signed and published in the official Palestinian Authority Registry in April 2011 puts all Palestinians and Israeli Arabs imprisoned in Israel for terror crimes on the PA payroll to receive a monthly salary from the PA. [Official PA daily *Al-Hayat Al-Jadida*, April 15, 2011] This new law called **PA Government Resolution of 2010, numbers 21 and 23**, formalizes what has long been a PA practice.

2. Recipients of the monthly salary:

The PA has defined by law which Palestinians would be considered "prisoners":

"Anyone imprisoned in the occupation's [Israel's] prisons as a result of his participation in the struggle against the occupation." [Ch. 1 of Law of Prisoners, 2004/19, passed and published by the PA Chairman and Government, December 2004.

The Prisoners' Centre for Studies, www.alasra.ps, Accessed May 9, 2011]

According to the PA definition, more than 5,500 Palestinian prisoners serving time for terror-related offenses are recipients. [*Al-Hayat Al-Jadida*, July 14, 2011] Palestinian car thieves in Israeli prisons will not receive a salary, but every terrorist in prison including murderers are on the PA payroll. The salary goes directly to the terrorist or the terrorist's family, and prisoners receive salary from the day of arrest. [*Al-Hayat Al-Jadida*, April 15, 2011]

3. Hamas and Fatah terrorist prisoners receive monthly salaries:

"The PA's Ministry for Prisoner Affairs said that its policy had always been to pay salaries to prisoners and their families **'regardless of their political affiliations.'**" [Jerusalem Post, May 20, 2011].

4. Total amount that the PA pays in salaries to prisoners monthly:

Total: 17,678,247 Shekel (\$5,207,000) a month, based on May 2011.

[*Life and the Market*, supplement to *Al-Hayat Al-Jadida*, June 19, 2011]

5. Terrorists in prison receive higher average salary than PA civil servants and military personnel

Salary recipients	Average monthly salary
Civil servant	2,882
Military personnel	2,704
Prisoner	3,129

[*Life and the Market* supplement to *Al-Hayat Al-Jadida*, June 19, 2011]

6. PA salary payments to prisoners is dependent on foreign funding

The new PA law stipulates that payment of salaries **"will be implemented... on the basis of available sources of funding."** [*Al-Hayat Al-Jadida*, April 15, 2011] Accordingly, it is the contributions by the US and other foreign donors to the PA general budget that facilitates the payment of monthly salaries to the terrorist prisoners.

US law and US funding of the Palestinian Authority

7. US law prohibits funding terrorists and past terrorists:

CONSOLIDATED APPROPRIATIONS ACT, 2010: ASSISTANCE FOR THE WEST BANK AND Gaza, SEC. 7039. (b) VETTING.—

8. The US contributed \$225 million in 2010 to the general PA budget from which the salaries are paid

Secretary of State Hillary Clinton stated that an additional US grant in November 2010 “brings **our direct budget assistance to a total of \$225 million** for the year and our overall support and investment to nearly \$600 million this year.”

[State dept. Secretary of State Hillary Clinton in Announcement of the Transfer of Budget Assistance Funds to the Palestinian Authority, Nov. 10, 2010]

Summary – the US funds the PA budget which pays terrorist salaries and glorifies terrorists

24. The Palestinian Authority pays over \$5,000,000 a month directly to terrorists as salaries. In addition to the examples cited here, Palestinian Media Watch has documented many other examples of the PA's honoring terrorists and presenting them as heroes and role models. Still in 2011, this glorification of terrorists is a mainstay of PA policy under Chairman Mahmoud Abbas and PM Salam Fayyad, who as shown above are actively involved.

25. The US funds the PA's general budget. Through the PA budget the US is paying the salaries of terrorist murderers in prison and funding the glorification and role modeling of terrorists.

26. US law prohibits giving assistance "to or through any individual... that the Secretary knows or has reason to believe advocates, plans, sponsors, engages in, or has engaged in, terrorist activity..."

27. US law prohibits using US funds "for the purpose of recognizing or otherwise honoring individuals who commit, or have committed acts of terrorism."

Measuring Palestinian Authority compliance with US anti-terror funding laws

In order to comply with **US anti-terror funding laws** there are clearly defined and quantifiable steps that the Palestinian Authority should implement:

- 1. The PA should repeal the law “PA Government resolutions, numbers 21 and 23 of 2010” which grants all terrorists in Israeli prisons a PA monthly salary**
- 2. The PA should stop paying salaries to terrorists in Israeli prisons (as they have admitted to doing even before the law)**
- 3. The PA should stop honoring and role modeling terrorists through naming of places and events in their honor**
- 4. The PA should stop having PA dignitaries and ministers visit terrorists’ homes and stop granting their families awards in their names**

All of these steps can be implemented immediately and are easily monitored.

PA Salaries from the general budget in May 2011

"An official document, a copy of which reached *Life and the Market* (supplement to the official PA daily), reveals that the cost of salaries [in the PA budget] is much higher than people think. According to the document, the sum of monthly salaries for May 2011 totaled 727,287,824 Shekel (\$214,412,683.96 USD), paid from the treasury of the [Palestinian] National Authority... The document shows that the largest portion of the salaries' expense - more than 40% - was paid to civil servants. A total of 293,435,045 Shekel was paid to 101,802 civil servants, about three quarters of them in the West Bank. **The average salary for a civil servant in the Palestinian Authority is 2882 NIS...**

The military personnel of the Palestinian Authority occupy second place – 24% - in the cost of salaries, with a total of 172,873,226 NIS. **Surprisingly, the Gaza Strip represents more than 55% of the total cost of salaries of military personnel. The average salary for members of the PA military personnel is 2704 NIS...**

The PA transfers about 7% of the cost of salaries overseas, in the form of salaries to personnel at consulates and the Palestine National Fund, foreign fronts, **and PLO forces and institutions, in the amount of 51,872,446 NIS.**

As for the prisoners (i.e., in Israeli prisons), they receive approximately 2.5% of the cost of salaries [for May], in the form of salaries and [additional] payments, totaling 17,678,247 Shekel (\$5,211,747).

Taking care of families of *Shahids* (Martyrs), inside and outside [the PA], totals about 3.5% of the total cost of salaries [for May], in the amount of 26,458,137 NIS.

The West Bank received the majority of the payments and salaries to prisoners, while the Gaza Strip receives a greater portion of the budget for assistance to *Shahids*' families. The average prisoner salary is 3129 NIS... Salaries for members of the inactive Parliament

(Legislative Council) [which has not been meeting since the Fatah– Hamas conflict] totaled approximately 0.5% of the cost of salaries – 3,272,316 NIS.”
